H1 Highlights

Strong results, outperforming the market

■ Results

- GDA doubled retail market share to 2.6%¹ (total beer market)
- Unaudited group revenue \$59.2 million ▲80%.
- Unaudited group EBITDA \$6.1 million, strong result given softer macro-economic conditions.

■ Own Brands

- ▲12% growth of own-brand sales a great result, outperforming the beer market.
- Draught beer sale growing strongly (▲25%) providing trial for brand-building at high margins.

■ Partner Brands

- Significantly gained traction in Q2.
- Agency brands deliver national distribution growth ▲98%, providing opportunities for incremental own-brand sales to new customers.

Contract-brewed brands

- Production of low-margin contract brewing has now largely unwound.
- Creates capacity to meet higher-margin own-brand growth with no additional capital expenditure.

Record Revenue and Distribution Growth

National Platform Continues Growth In All States

Australia	H1 FY23	vs H1 FY22
Revenue (\$M)	\$ 43.9	▲ 39%
Distributions	27,627	▲ 98%

Distribution growth is a leading indicator for revenue growth

Note: Revenue figures are unaudited.
Revenues from packaged and draught sales only, excludes revenues from GDA venues in that state.

Financial and Operational Results

Demonstrated execution

- Strong earnings contributions from new hospitality and partner brands business units validates diversification of the Good Drinks platform
- EBITDA consistent with prior year: Loss of contract brewing contribution and additional sales & marketing expenditure offset by partner brands and hospitality earnings

Outlook

- Deliver on our target of growing earnings to \$25 to \$30M by FY25.
- Continue to grow diversified revenue and earnings streams of partner brands and hospitality.
- Reduced discretionary spend across the liquor category will require careful navigation over next 18 months.
- Continuing to outperform competitors while focusing on cost efficiencies:
 - Geographically focused sales & marketing investment in core brands
 - Reducing complexity in our core business by focusing on high-margin, high growth brands
 - Fewer, Bigger, Better
- Selling prices maintained, COGS normalising, margins in line with expectations.
- Current and expected operating cash flows & debt facilities are aligned to fund our ambitions.
